Dear Mr Fleming,

Please find attached our confirmation (with a small clarification in the commitments (see the markup document) to avoid confusion or misunderstanding on the scope and interpretation of the commitments).

We will roll out the amendment of the existing contracts and update the template general delivery terms for new partners within the coming days in order to have the commitments in place and effective as per 1 September 2016.

I trust to have informed you sufficiently.

Yours sincerely,

Wouter Groenewold
