Good morning Jo.

I'm following up [REDACTED] email (below) and completed the declaration form I found in Aurion. I am having trouble submitting the form though as the only name that appears in the Aurion menu is Cherie Corbin and I keep getting an error message that Cherie Corbin is an invalid name.

Can you please advise who it is that I should be submitting the form to?

Kind regards,

Hi [REDACTED] today we received a gift of two cases of champagne from Michael Hodge for the FCL, Supermarkets and Sucrogen teams. As the gift is a little excessive, I called Jo Schumann to check on protocol as to what was allowed.

Released under FOI

Jo advised that as long as the gift is declared, and then used for common good, say by a social club to perhaps hold raffles and raise money for different things such as charities etc, it was quite alright to keep the gift.

So, in your office today, you will now see the two cases for the social club to be used as above.

As you will be in charge of their use etc, can you pls send the declaration email of their receipt, and their intended use.

Many thanks, [REDACTED]
