Fare Conditions

=====

Please contact your travel consultant for details of full Fare conditions for this itinerary.

Check In (International):

- For international flights departing from Australia, and domestic sectors of flights departing from international terminals - make sure you have checked in by the check-in deadline specified in your airline documentation, or if no deadline is specified, then at least 120 minutes prior to scheduled departure for Economy Class or at least 90 minutes prior to scheduled departure for First or Business Class. Failure to do so may result in cancellation of your reservation.

Reconfirmation:

- We suggest that onward reservations and flight times are reconfirmed 72 hours prior to departure as policies differ between airlines and failure to do so may result in the cancellation of your reservation.

Electronic Tickets:

- Photo Identification is required when travelling on an electronic ticket. Failure to ensure the full booking name matches the photo identification may result in cancellation fees and/or loss of reservation.

Booking Changes:

- Please call +61 1300 660 256 INT for changes to your booking at anytime and please advise this office if you do not use your ticket so that we may rebook or process a refund if applicable.

No Show / Cancellation Fees:

- See the fare conditions above for the relevant rules relating to your airfare. No show and cancellation fees may apply to hotels and car rental bookings on your itinerary. Generally hotels and car rentals need to be cancelled at least 24 hours prior to check-in, so please notify the relevant service provider if you will not be able to use the booking in order to minimise any fees that may be payable.

Seating & Meals:

- Any seating and meal requests shown on your itinerary are subject to confirmation upon check in.

Passport:

- A valid passport is required for international travel. Immigration authorities may refuse entry if you have less than 6 months validity on your passport. Ensure the name on this itinerary matches the passport name because if it does not, you may be refused travel. Please advise your travel consultant if you are not travelling on an Australian passport as you may require a re-entry visa for Australia.

- Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation. Visa information can be obtained from [www.visalink.com.au](http://www.visalink.com.au) or by contacting your travel consultant for information. They cannot be carried in your cabin baggage or on your person. If they are, the articles will be removed and not returned.
- On the 31 March 2007, the Australian Government introduced enhanced security measures to limit the amount of liquids, aerosols, and gels that can be taken through the screening point for people who are flying from Australia.
