Subject: Cheetham Salt - allegation of misuse of market power

Dear Georgina,

I appreciate your time this morning along with Narita to discuss this allegation.

We maintain that this allegation by Mulgundawa is unfounded, and that we have complied with competition law in this matter. I understand from our discussion this morning that a written response from Cheetham is the most efficient way for the ACCC to assess this allegation.

I have spoken with Narita again this afternoon and agreed that we will endeavour to provide a written response to your letter by the 12th August 2011.

Best regards,

Andrew Speed
