Thanks Bec. Yes, if you could ask Mahalia that would be great. Here is the list that I have already which I have sent onto ACCC Media.

There are 180+ Indigenous media outlets.

You've already got a relationship with NITV so I've set out some other options below with priorities identified (coverage and social media both factors). It would be great to get it out to Koori mail/radio & CAAMA radio. For those that you don't have time to reach we can try and reach via social media, just let me know who you've managed to connect with.

This organisation (National Indigenous Radio Service) might be a good point of contact outside of the top two priorities, as they appear to distribute news to a lot of the smaller radio stations:

Hi Jane,

Released under FOI

Apologies, I've been out of the office all afternoon.

Unfortunately, I don't know of any but can check with Mahalia tomorrow morning and get back to you.

Thanks,

Bec
