Dear Ray

Thank you again for contacting me about this matter a few weeks back. I'm writing in relation to two things. First, we have had a reallocation of work in our team with the result that I've handed the matter over to my colleague David Jones. David's email is above, and his phone number is (02) 6243 1393. The team hasn't changed otherwise, and they are aware of the contents of our previous conversation. Second, David would like to get in touch with you to ask some more questions, now that he has had an opportunity to speak with the ERA and IMO. Would you mind letting him know what times would be suitable for you in the next few days?

Kind regards  
Cameron
