Paula

I contacted Lisa Anne - Seems to be some crossed lines

LAs response is below but it appears it was only directed to you.

No response from Elise as yet unless she went straight back to you as well.

Maybe I am missing something but the version I saw did include a reference to the ACCC looking at the entire supply chain

Gavin will close the loop shortly from our end.

Cheers

Peter

Paula, I agree a line about the Retail Electricity Inquiry would be helpful.

Elise – As discussed, here is the draft as it stands. Might be worth putting in more about ACCC looking into generators' behaviour as part of its review?
