Thanks Scott. Let's discuss today as you say. Two points.

Second, the request is not to meet with Bob. It is to speak to Grace from 60 minutes.

Cheers
Rod

Hi Mr Sims,

As you might be aware, Bob has introduced (twice now) the *Competition and Consumer Amendment (Exploitation of Indigenous Culture) Bill 2017*. Attached is a copy of the Bill and EM.

60 Minutes are in the process of producing a story on the fake Indigenous Art.

The producer Grace Tobin – who Bob and I greatly respect and have done a number of stories with, would very much like to speak with you, even if just for background, on the current legislation, gaps and cases.

If you are agreeable to speaking to Grace – could you please let me know the best point of contact for you?

Many thanks,

Anne
